Steel Movable Bollard with Wheels, Removable Bolt-On Steel Cap and Slots 42 In. x 5-1/2 In. Yellow

MODEL BOL-MB-JKS-42-5.5

Protective Barriers / Movable Bollards

PRODUCT OVERVIEW

The movable bollard with chain slots provides a portable visual barrier when an area needs temporary protection. Create barriers around workstations, machinery, and outdoor spaces by placing chain into chain slots, storing any excess chain inside the bollard, and placing the cap back onto bollard. The chain slots hold chain connected to other bollards. Ideal for use when keeping traffic out of a temporarily hazardous area or area under repair. Can be used indoors or outdoors. Powder coated yellow for high visibility.

KEY FEATURES

- Create barriers around workstations and machinery
- Ideal for indoor and outdoor applications
- Removable steel top cap which exposes chain slots
- Mold on rubber wheels
