Steel Yard Ramp Mechanical Dock Leveler 85 In. x 36 Ft. 20,000 lb. Capacity Earth Tone Brown

MODEL YRDS-20-8536-M

Loading Dock Equipment / Steel Yard Ramps

PRODUCT OVERVIEW

The stationary steel Yard Ramp with mechanical Edge-O-Dock at truck end quickly loads and unload trucks, trailers and rail cars from ground level when no freight dock exists. Increase productivity while reducing material handling costs. Great for construction sites and includes an efficient manual hand crank for easy one (1) person height adjustment. The standard features include: positive traction surface design and safety locking chains.

KEY FEATURES

- Steel side curbs prevent fork truck run-off
- Overlap style lip with safety chains secures ramp to trailer
- Open grating design allows snow, ice and rain to fall through
- Rubber bumpers are included for increased safety
