Steel Heavy Duty Adjustable Bay Panel Cart 30 In. Wide 4,000 Lb. Capacity Blue / Yellow

MODEL PRCT-HD-30-AB

Industrial Carts & Dollies / Heavy-Duty Panel Cart

PRODUCT OVERVIEW

Multi panel carts are a staple in the hardware and home improvement industries. With the multiple bay design, products of different sizes can be transported all at once. The unique design is perfect for storing items vertically as well. Large awkward sheets that would normally have been strenuous to maneuver, can now be slid into place with minimal effort. For additional customization, bays can be individually taken out or put in place to best meet the dimensions of the products. With a steel construction, the carts durability and consistent reliability endures throughout heavy daily use.

KEY FEATURES

- Adjustable bays for transformation
- Staggered bay heights
- Open design allows loading from multiple sides
- Poly-on-steel casters provide a stable base
