

Steel Commercial Spring Loaded Ladder 4 Steps 16 In. Wide 58 Degree with Anti-Slip Rubber Mats 300 Lb. Capacity Yellow

MODEL LAD-4-Y

Industrial Ladders / Commercial Spring Loaded Ladders

PRODUCT OVERVIEW

Commercial users of rolling ladders now have an attractive and economical alternative to the traditional warehouse rolling ladders. This commercial spring loaded ladder has a sleek design, also provides maximum safety and convenience. The all directional spring-loaded swivel casters feature steel dome protection which includes rubber pad bottoms to minimize movement. The powder coat finish provides a durable attractive appearance.

KEY FEATURES

- Ladder design is an attractive and economical alternative to traditional warehouse rolling ladders
- Non-slip rubber step surface provides a positive grip
- Rubber dome covers protect the spring-loaded casters
- Powder coat finish provides a durable attractive appearance
