

# Sling Rack Hook Lock System 67-11/32 In. x 3-1/4 In. x 3-3/16 In. Yellow

**MODEL SLR-LS**

Overhead Lifting / Gantry Sling Racks

## PRODUCT OVERVIEW

The Gantry sling hook lock is a valuable attachment to an already existing rack. The lock is used to prevent maneuvering of items during use of racks. The steel construction allows for the hanging of items both big and small without the concern that items may shift positions. The unit is ready for immediate use with a simple user friendly attachment without the need for additional personnel.

## KEY FEATURES

- Bright finish for high visibility
- Robust assembly for long term use
- Prevents hooks from fluctuating in position
- Simple design that controls all hooks on the unit
