

Galvanized Steel Storage Building 6 Ft. x 6 Ft. Silver

MODEL STOR-66-G-W-1RH-WD

Facilities Maintenance / Storage Buildings

PRODUCT OVERVIEW

A modular storage building is ideal for keeping valuable items secure. This storage building is constructed of maintenance free galvanized corrugated paneling. The door design is wider than standard; perfect for storing oversized, large items and is hinged on the right-side of the entrance (padlock not included). Wooden floor design helps keep items dry and away from moisture. Assembly of unit is required. Hardware is included.

KEY FEATURES

- Assembled building is easily portable
- Wooden floor lifts items way from outside inclement conditions
- Outward opening door
- Wide door for safe entrance and exit
